PLEASE
LET’S FINISH THE RAIL TRAIL to HANNAH DUSTON ISLAND!

As you stand at the southern end of the 58-mile Northern Rail Trail, you are probably thinking: “Why does the trail just stop in a Boscawen corn field?” The answer is, “because the railroad right of way is held privately beyond this point”. As it turns out, the right of way is for sale now! The Friends of the Northern Rail Trail in Merrimack County (FNRT-MC) is in the process of buying it to donate to the town of Boscawen after which the Friends will begin constructing the Trail to Hannah Duston Island.

We need to finish raising $130,000 to complete this last 6/10th mile and we need your help to do it!

We hope to close the sale in mid-January, so we have a tight deadline to raise the money. Some generous donors have agreed to match your donation, dollar for dollar, until we reach the $130,000 goal. There are several easy ways make a donation:

- On our website, [www.fnrt.org](http://www.fnrt.org), you can donate through PayPal. Under special instructions on the credit card form, please enter **Boscawen Trail Extension**.
- Also on our website, you can download the contribution form to send a check to **FNRT-MC, P.O. Box 154, Andover, NH 03216**. Under area of interest, please enter **Boscawen Trail Extension**.
- Or go to GoFundMe at [https://gf.me/u/y3wb3w](https://gf.me/u/y3wb3w) for the Northern Rail Trail Extension. All funds raised through that page are dedicated to the purchase of the corridor.

Because FNRT-MC is a 501(c)(3) organization, your contribution is deductible to the full extent of the law. If you enjoy the Trail as much as we do please contribute what you can.
